You can use a few d6s to replace most of the dice from the polyhedral set, assuming you're just reading the values. This can give a new spin on your old games!

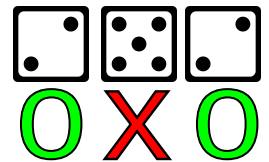

D4  $\Rightarrow$  2d6, Drop Highest

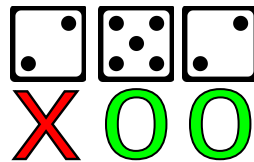

D6  $\Rightarrow$  No Change

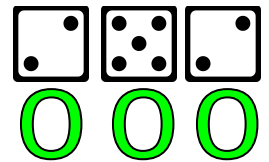

D8  $\Rightarrow$  2d6, Drop Lowest

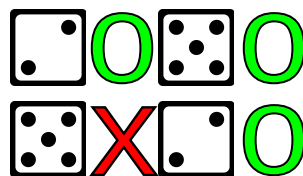

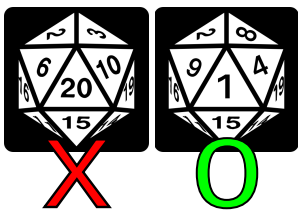

D10  $\Rightarrow$  3d6, Drop Highest

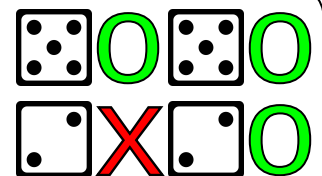

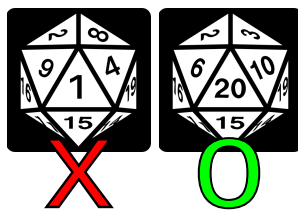

D12  $\Rightarrow$  3d6, Drop Lowest

D20  $\Rightarrow$  3d6, No Change

2d20 Drop Highest  $\Rightarrow$   
4d6, Drop Highest

2d20 Drop Lowest  $\Rightarrow$   
4d6, Drop Lowest
